

Aditya Kumar Singh

Technical Product Manager | AI & Data Products | Tufts Engineering Management

Boston, MA | itsadisingh003@gmail.com | <https://www.linkedin.com/in/itsadityakumarsingh/> | +13392429612

EDUCATION

Tufts University

Masters of Science in Engineering Management

Medford, MA

Expected 2027

Relevant Coursework: Strategic Management, Financial Intelligence, Data Analytics, Program and Project Management, Lean Six Sigma

Vellore Institute of Technology

Bachelor of Technology in Computer Science Engineering, GPA: 3.8/4.0; 25% Merit Scholarship

Vellore, India

Sep 2021 – Jul 2025

PROFESSIONAL EXPERIENCE

Value Aligners, Sunnyvale, California, USA

Oct 2025 – Present

Product Manager Intern

- Led GenAI product analysis and feature discovery for an Agentic AI platform connecting **SMBs to navigate 9,000+ cybersecurity solutions**.
- Identified release bottlenecks across **engineering teams** and implemented coordination processes improving development throughput.
- Managed **JIRA and Confluence** workflows, sprint planning and release tracking, ensuring feature validation and milestone completion.

JC Foundation, India

Jul 2025 – Oct 2025

Product Manager Intern

- Defined **product roadmap** and feature requirements for an AI-enabled secondary consultation platform serving **500+ patients per month**.
- Deployed an **AI powered** WhatsApp navigator using NLP models automating end-to-end patient guidance leading to a **15% reduction in wait times**.
- Conducted **user discovery interviews with 30+ oncologists** to design product workflows, bottlenecks and pricing models.

NTPC Ltd, India

Oct 2023 – Nov 2023

Software Developer Intern

- Co-developed NTPC's **Enterprise AI chatbot 'Jyoti,'** enabling fast and secure enterprise data access for **20,000+ employees**.

Scrollify, India

Feb 2023 – Nov 2023

Full-Stack Developer

- Implemented **CI/CD pipelines** using GitHub Actions, Docker, and Kubernetes, **reducing deployment time by 65%**.
- Managed Git version control workflows, supporting feature branch integrations and release readiness.
- Upgraded backend functionality for the admin panel and **authored API documentation** with Swagger API for faster processing
- Developed the backend architecture for a creator tool, integrating **AWS EC2 and S3** ensuring scalability and data management.

PROJECTS

[MessIT](#)

- Led product development of **MessIT**, a digital dining platform adopted by **10,000+ students**, replacing manual mess-menu processes.

[BunkBuddies](#)

- Drove end to end launch as the Project Lead of the University's first roommate matching platform, gaining over **1250+ users on launch day**.

LEADERSHIP EXPERIENCE

[Hostel & Dining Operations](#), Vellore, India

Aug 2024 – Jun 2025

Student Director

- Led operational improvement initiatives for hostel dining services by analyzing feedback from **75+ residents** and identifying key process inefficiencies.
- Led the creation of a digitized feedback and reporting system, enabling administrators to prioritize operational improvements collecting **200+ responses** in the first month.

[VinnovateIT](#) - Innovation & Incubation

Sep 2023 – Dec 2024

General Secretary | Treasurer

- Coordinated Operations Vinhack'23 **hackathon** with **1,800+ participants**, managing logistics, technical reviews, and stakeholder communication.
- Revamped internal admin panel to monitor **15,000+ user**, leading to a **20% increase in data-driven decision** across product and engineering teams.
- Defined organizational strategy and growth, recruiting and **mentoring 70+ members**, fostering a culture of innovation and collaboration.
- Managed financial operations as Treasurer, overseeing budgets, vendor negotiations and expense tracking that **bought 20% annual savings**.

CERTIFICATIONS & AWARDS

- Certified Scrum Product Owner (CSPO)** – Scrum Alliance
- Certified Ethical Hacker (CEH)** - EC-Council
- 1st Runner-up at National Civic-Tech Hackathon** organized by [CIIE.CO](https://www.ciie.co) - the startup incubator of Indian Institute of Management, Ahmedabad in collaboration with Omidyar Network
- Authored software engineering articles, [Smart Refrigerator AI Model for Food Safety and Health Promotion using YOLOv10](#) & [Enhancing Software Development Efficiency: A Study of Static Code Analysis Tools Integrated with Version Control Systems](#)

Jul 2025 – Jul 2027

SKILLS

- Product:** Product Strategy · Product Discovery · PRDs · KPI Tracking · MVP Development · Agile · Scrum · Roadmapping · A/B Testing · OKRs
- Technical:** Python · SQL · AWS · REST APIs · Node.js · Next.js
- Tools:** Jira · Notion · Excel · Tableau · Power BI
